Gränsbevakningsväsendet
The Finnish Border Guard

The Arctic Coast Guard Forum (ACGF) is an independent, informal, operationally driven organization, not bound by treaty to foster safe, secure, and environmentally responsible maritime activity in the Arctic.

- Established 2015 in the U.S.
- Annual Senior level meetings, expert level - as necessary
- TTX / LIVE exercises

Arctic Coast Guard Forum (ACGF) Joint statement 2017

Rajavartiolaitos
Gränsbevakningsväsendet
The Finnish Border Guard

- **ADOPT the Voluntary Guidelines for Combined Operations**, which defines appropriate doctrine, tactics, procedures, and information sharing protocols for emergency maritime response and combined operations in the Arctic,
- **ADOPT the Strategic Roadmap** to drive the pursuit of the Arctic Coast Guard Forum's aspirations and strategic objectives into the future by setting forth specific goals and milestones,
- **AGREE** to hold a mid-period planning conference to support the execution of the **2017 Live Exercise** in the fall of 2017, with the objective to test the framework of the Voluntary Guidelines for Combined Operations using a waterborne scenario with **a focus on information sharing, communication, and operational coordination**,

ARCTIC SEARCH AND RESCUE CAPABILITIES SURVEY - IDENTIFIED CHALLENGES

Rajavartiolaitos
Gränsbevakningsväsendet
The Finnish Border Guard

- Arctic operational environment
- Long distances, presence of resources and the lack of infrastructure in the region
- Lack of communications network and connections
- Sharing information internationally, between authorities, and towards other stakeholders
- Arctic search and rescue training program
- Capacity to host patients
- Survival and rescue equipment to survive in Arctic conditions
